SPECIALTY COCKTAILS★

Lightsaber

3-Olives Grape Vodka, Blue Curacao, Lemon Juice and a splash of Rock Star. This shooter uses the force to look green and taste purple.

Blue Milk

We can only guess what Aunt Beru's tasted like, but ours tastes like chocolate milk. Made with Pinnacle's Chocolate Whipped Vodka, Milk and Blue Curacao.

The Kiss

Whiskey, Fresh Squeezed Lime Sour and Pineapple Juice, garnished with fresh sliced Jalapeño. Enough sour to make you pucker, finishes sweet and tingly.

Rootbeer Float

3-Olives Root Beer Vodka with Vanilla Vodka and Bailey's, Shaken and dropped bomb-style into Coke.

Bloody Mary

Made to order, no mixes here!! Your choice of Vodka, served Tall in a Pint Glass with Tabasco, Celery Salt, Horseradish, Worcestershire Sauce, Pepper, Lemon Juice and Tomato Juice. May we suggest a Salt Rim?

Margarita

Made to order with fresh squeezed juices! Your choice of Tequila, Triple Sec, splashes of Orange and Lime Juice and our own made-from-scratch Lemon Sour Mix. Even better with a salt rim.

Midtown

Bulleit Bourbon, Apple Cider Liqueur, Lemon Juice and Agave Syrup, Stirred and strained into a Martini Glass
